

## Group Activity: The Dinner Party

### Instructions

Your group is hosting a dinner party for six guests, including a few newcomers. Plan the event by considering the following:

- 1) Theme & Atmosphere
- 2) Menu & Food Accommodations
- 3) Seating Arrangement & Social Flow
- 4) Entertainment or Activities
- 5) Are there other considerations that might impact the experience and make the dinner enjoyable for everyone?

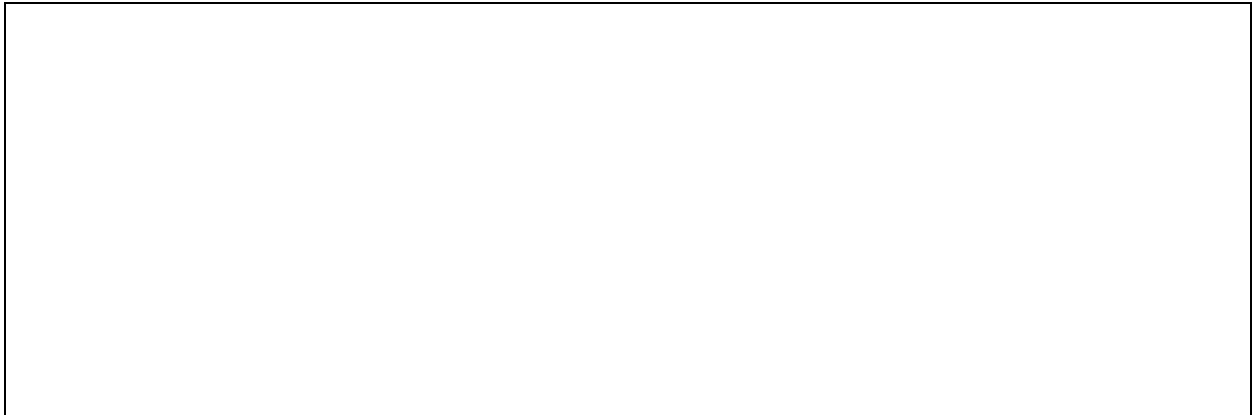

💡 **Your goal is to design an event that ensures all guests feel comfortable, included, and engaged.**

---

**Theme & Atmosphere** (e.g., casual, formal, interactive, quiet, lively)

**Menu & Food Accommodations** (e.g., dietary needs, allergies, or sensory preferences)

**Seating Arrangements & Social Flow** (e.g., *Who sits where? Structured or flexible seating?*)

**Entertainment or Activities** (e.g., *What will guests do? Will there be music, games, and quiet spaces?*)

**Other considerations?** (e.g., *How do you ensure all guests feel comfortable and engaged?*)
